

ADDENDUM

October 17, 2009

The correct date for the report is July 2009.

On page 2, Table 1 incorrectly lists biodefense research and development funding by the German Ministry of Interior as 44 million. The correct figure is 44 thousand.

On page 8, it is incorrectly stated that “*all biosafety level 3 laboratories must register with the Ministry of Health.*” The correct statement is “all biosafety level 3 laboratories must register with appropriate ministries of the Federal States.”
