

Invitation

It is our distinct honor to invite you to the "IFANS-KINAC-FMWG Conference on the 2012 Seoul Nuclear Security Summit and Next Generation Nuclear Security" on Wednesday, November 2, 2011 at the Grand Ambassador Seoul, Korea.

In order to strengthen nuclear security and support the 2012 Seoul Nuclear Security Summit, this conference brings together a diverse group of experts and stakeholders in the nuclear security field from around the world. Participants will include scholars, government officials, and media representatives who will engage in a robust discussion on the major nuclear security issues leading into the 2012 Seoul Nuclear Security Summit.

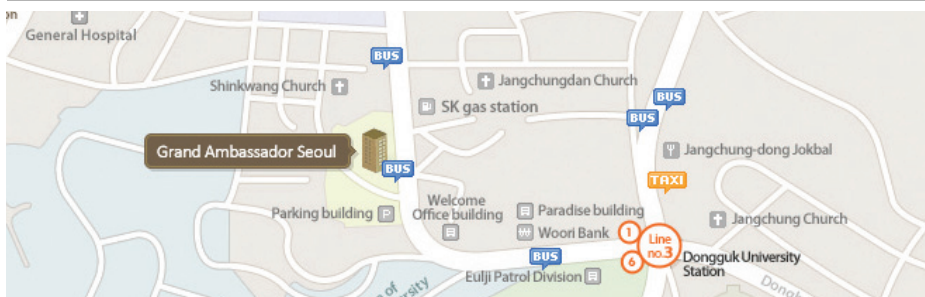

The conference will raise topics including progress since the 2010 Washington Nuclear Security Summit, key issues of the 2012 Seoul Nuclear Security Summit, innovation of global nuclear security governance, and nuclear security beyond 2012.

We sincerely hope you will be a part of this conference, and share your knowledge and views on the importance of preventing nuclear terrorism by improving nuclear materials security and building global support. We look forward to seeing you on November 2.

Respectfully yours,

Institute of Foreign Affairs and National Security (IFANS),
Korea Institute of Nuclear Nonproliferation and Control (KINAC),
and Fissile Materials Working Group (FMWG)
