

North Korea Has Tested 5 Nuclear Weapons

1

October 09, 2006

Response: International condemnation and sanctions

May 25, 2009

2

Response: International condemnation and sanctions

3

February 12, 2013

Response: International condemnation and sanctions

January 06, 2016

4

Response: International condemnation and sanctions

5

September 09, 2016

Response: International condemnation and calls for new sanctions

Sanctions and condemnation alone have not - and cannot - resolve the North Korean nuclear threat.

Diplomatic options must be on the table.
