On July 21, 2021, the Senate Armed Services Committee approved S. 2792, the National Defense Authorization Act for Fiscal Year 2022, by a vote of [23-3](#).

On September 23, 2021, the House passed H.R. 4350, the National Defense Authorization Act for Fiscal Year 2022, by a vote of [316-113](#).

Therefore, instead of working through a formal conference, HASC and SASC leadership negotiated a compromise bill based on the text of the House-passed bill (referred to below as *House*), the Senate Armed Services Committee-approved measure (referred to below as *Senate*), and amendments filed in the Senate, which was released on December 7, 2021 (referred to below as *Final*). All table numbers in parentheses are increases or decreases from the President's FY 2022 Budget (referred to below as *Request*).

On December 7, 2021, the House passed S. 1605, the National Defense Authorization Act for Fiscal Year 2022, by a vote of [363-70](#).

On December 15, 2021, the Senate passed S. 1605, the National Defense Authorization Act for Fiscal Year 2022, by a vote of [88-11](#).
