01. Footnote for uncertain tax position under FIN 48 (Part X)

The Center is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC). Accordingly, no provision for income taxes has been made in the accompanying consolidated financial statements. The provisions included in accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return.

The Center performed an evaluation of uncertain tax positions at year end, and determined that there were no matters that would require recognition in the consolidated financial statements or, which may have any effect on its tax-exempt status. At year end, the statute of limitations for the three prior tax years remains open with the U.S. Federal jurisdiction.
